administration. Many tutors had failed to teach them. Then a Brahmin named Vishnu Sharma was brought to the king notice. He presented himself in the king's court and took away his sons to reach them. He made them learn five books with tales. Invading men and animals. There books were : The loss of friends, the winning of friends, crew and ovals, loss of advantages and ill considered action. Through these five books he imparted to them the art of intelligent living. Thus the art of story-telling became means of educating children as well as grown-ups. Till date Panchantra has travelled from its place of origin. India, throughout the world without losing its charm.
